With reference to the above, I have the honour to report as follows:

Under G.O. Ms. No. 2347, Home, dated 20-5-1950, the appointment of an additional District Munsif was sanctioned to the District Munsif's Court, Mangalore for a period of 3 months with effect from the date on which the officer posted takes charge after the reopening of the court after the summer recess of 1950. An additional District Munsif actually took charge only on 18-9-1950. As the state of the file in that court at that time was rather light as compared with those in the District Munsif's Courts of Hosdrug and Kasaragod, 50 old suits relating to villages nearer Mangalore from the District Munsif's Court, Kasaragod, were transferred to the District Munsif's Court, Mangalore and 100 old suits relating to villages nearer Kasaragod were transferred from the District Munsif's Court, Hosdrug to the District Munsif's Court, Kasaragod. The two officers have appreciably reduced the file so that on 15-11-1950, the total pendency of Original Suits in that Court was 344 out of which only 38 were old suits.

2. But in this connection it may be necessary to refer to the nature of the files in the District Munsif's Courts of Kasaragod and Hosdrug. In the District Munsif's Court, Kasaragod, an additional District Munsif has been functioning from 16-6-1950; but in spite of the best efforts of the two officers the pendency in that Court is 654 on 15-11-1950 out of which 347 are old. Similarly in the District Munsif's Court, Hosdrug, in spite of the good work done by the District Munsif, there are 947 original suits pending on 15-11-1950 out of which 324 are old. The present Court at Hosdrug is itself housed in a rented building and it may not be possible

to have an additional District Munsif for that Court for want of proper accommodation. In Kasaragod there is already an additional District Munsif functioning and it may not be practicable to have a second additional District Munsif for that Court for the same reason, namely lack of suitable accommodation. Both these places are connected by railway with Mangalore and Kasaragod is only 29 miles from Mangalore while the distance to Hosdrug from Mangalore is 43 miles. It may not be therefore very inconvenient to the litigant public if some of the old suits from these two courts are transferred to the District Munsif's Court, Mangalore for speedy disposal. As already stated, 50 old suits were actually transferred as an experimental measure from the District Munsif's Court, Kasaragod to the District Munsif's Court, Mangalore and it is gratifying to note that good many of them have already been disposed of. In these circumstances I may be permitted to suggest that the post of the additional District Munsif of Mangalore may be continued till the summer vacation of 1951, so that the heavy pendencies, particularly of old suits, in the District Munsif's Courts of Kasaragod and Hosdrug may be also substantially reduced.

3. In the District Munsif's Court of Coondapur also the pendency, especially of old suits, is notably heavy. The total pendency of original suits on 15-11-1950 in that Court was 581. Out of this 212 suits are over one year old. The present District Munsif working alone in that court cannot be expected to bring down the pendency to manageable proportions in a reasonable time. So, an additional District Munsif will have to be appointed to that Court also shortly, if not immediately.

4. Therefore, if the first suggestion to continue the post of the Additional District Munsif in Mangalore Court is

not acceptable for any reason, the High Court may be pleased to consider the question of shifting the post to the District Munsif's Court of Coondapur for a term ending with the commencement of the summer vacation of 1951.

5. A statement in duplicate showing the institutions, disposals and pendency of original suits and small cause suits in the several District Munsif's Courts in the district for the years 1947, 1948, 1949 and the current year up to 15-11-1950 is enclosed.

From the High Court, ROC.No.11064/50-D2, d/5.12.50.
[Issued T.M. d. 18-12-50]
From the High ct, T-M d. 18-12-50

Sanction was accorded in G.O.Ms.No.82, Home, dated 5.1.49 to the appointment of an addl. Dt.Munsif to the D.M.C., Mangalore with effect from the date on which the officer posted took charge upto the closure of the court for the summer recess, 1949 and an addl. Dt.Munsif to the D.M.C., Karkal for a period of six months with effect from the date on which the officer posted took charge after the reopening of the court after the summer recess, 1949. In G.O.Ms.No.4943, Home, dated 12.12.49, on the recommendation of the High Court, the addl. Dt.Munsif and staff who were functioning at Karkal were continued at Mangalore from 10.12.49 upto the closure of the court for the summer recess, 1950 and the present sanction accorded ~~to its further continuance~~ in G.O.Ms.No.2347, Home, dated 20.5.50 expired on 17th Decr. 1950. The Hon. the Judges recommend the transfer of the addl. Dt.Munsif and staff from Mangalore to Coondapoor and their continuance in the latter place upto the closure of the court for the summer recess, 1951.

2. The following statement shows the state of work in the D.M.C., Coondapoor since 1947:-

Year	~~Small Cause~~ Original Suits				Small Cause Suits			
	Ins.	Dis.	Dis. AFT.	Pen.	Ins.	Dis.	Dis. AFT.	Pen.
1947	692	670	146	339(7)	809	750	51	136(28
1948	643	646	155	367(60)	826	846	54	120(16
1949	650	564	106	458(112)	786	765	45	142(19
1950 upto 15.11.50	650	527	72	581(212)	839	792	38	190(21
Whole year roughly	758				979			

It will be seen from the statement at foot of p.1 above, that the probable institutions under O.S. and S.C.suits for the whole year in 1950 are likely to be the highest since 1947. ~~The disposals are fairly satisfactory.~~ The pendency in both the branches shows ~~a steady~~ increase since 1947, that on 15.11.50 being the highest since 1947 The Dist.Judge, South Kanara has stated ~~xxx~~ that the present Dist.Munsif working alone in that court cannot be expected to bring down the pendency to manageable proportions in a reasonable time. On the basis of the standard outturn of 225 O.S. fixed for the Dist. Munsif's Court, Coondappor the pendency of 212 old suits alone will engage an addl. officer for ~~well over~~ about a year.
